

Quality Calibrations Inc (QCI) is a woman-owned small business specializing in on-site Pipette calibrations, repairs, and certificates of calibration. QCI was incorporated in 1994 and has been ISO accredited since 2008. Our specialty is ISO17025:2017 accredited pipette service. We have five female technicians with an average of 18 years of experience and two male technicians with an average of 26 years. We maintain a quality manual, safety policies are in place and all service is completed according to ISO8655-2:2nd Edition procedures.
